

WISCONSIN DEPARTMENT OF CORRECTIONS

Governor Tony Evers / Secretary Kevin A. Carr

Redgranite Correctional Institution

Date: June 15, 2021
To: Visitors to Redgranite Correctional Institution (RGCI)
From: Dan Cromwell, Warden
Subject: Updated Visitation Guidelines

Effective July 6th, 2021, RGCI will resume in-person visitation. RGCI expects initial demand for in-person visits to be high. Due to physical distancing and other preventative measures related to COVID-19, capacity in visitation areas has been decreased. RGCI will attempt to honor up to two face-to-face visits per week for each person in our care (PIOC). In addition, RGCI will continue to offer a video visit option to augment in-person visitation, and create more opportunities for those in our care and their loved ones to stay connected.

General Procedures

1. Visitors must have previously completed a Visitor Questionnaire (DOC-21AA) and be on the PIOC's approved visiting list. Visitors will be required to show an approved form of photo identification. Children or minors will be allowed to visit as long as they are on the approved visiting list.
2. Eligibility will be determined based on PIOC's current status or disciplinary status restrictions in accordance with Wisconsin Administrative Code Chapter DOC 309.06 – 309.12 Visitation.
